Magic Mist Benevolent Foundation

Magic Mist Benevolent Foundation partners with Raffa House

The Magic Mist Benevolent Foundation partners with Raffa House, to provide essential items for its home for girls. The Foundation has been a sponsor of one of its residents for the past eighteen (18) years.

Through its partnerships with its Total Facility Management Solutions partner (MMSL), the foundation was also able to aid in the preparation of the opening of Raffas' House new home.

The Magic Mist Benevolent Foundation is pleased to be a part of and have the opportunity to positively impact the lives of our future generation and wishes Raffa House all the best, in its future endeavours as we forge ahead together to continue shaping, empowering, enhancing and positively impacting the lives of our future generation.
